2	have had a favorable outcome in terms of his	2	Q What I'm trying to find out did he tell
3	treatment?	3	you, doctor, I had let me tell you about the
4	A Probably. I've worked with many people	4	dreams one the dog was alive the other was a bad
5	who suffer from trauma and they have been	5	dream or did he say the other was a nightmare?
6	successfully treated.	6	A As I'm saying, I don't know this is a
7	Q Did Mr. Stepski tell you why he waited a	7	different
8	month and a half after the accident before he first	8	Q Okay.
9	saw you?	9	A Whether he used I had two bad dreams, I
10	A Not that I recall.	10	don't know but the difference in his story was in
11	Q Did you discuss that with him?	11	one he slept the night through and the other he woke
12	A (Inaudible.)	12	up. He might have said I woke up and I was unable
13	Q Did you answer, I didn't hear you if so?	13	to sleep and then I may have used the term
14	A I don't think we ever spoke about that.	14	nightmare.
15	Q Okay.	15	Q You spoke again of this hypervigilance.
16	You next saw Mr. Stepski on July 12th,	16	Why did you talk about that?
17	2004?	17	A The sentence following that, "he looks
18	A Correct.	18	around all the time for danger."
19	Q So this was four days later?	19	Q "Often related to automobiles," it goes
20	A Correct.	20	on.
21	Q He said he had had several dreams since	21	Right?
22	you last saw him one of which his dog was still	22	A Yes.
23	alive and the other he was snugged in a small space	23	Q And is that associative of the collision?
24	under water and died.	24	A He is reporting his reaction of looking
	Page 70		Page 72
1	Gloria Small	1	Gloria Small
2	Were those dreams significant in your	2	around all of the time for danger. One of the
3	view?	3	things about emotions and fears is that they
4	A I don't know what you mean by	4	sometimes generalize. He was probably more relating
5	"significant," there is a difference between a dream	5	to an automobile than a boat. So a began to looking
6	and a nightmare and that theoretically the purpose	6	around for danger and generalized.
7	of the dream is to protect sleep, and so we can have	7	Q Your thought and thought now
8	a bad dream by our sleep is protected. Where a	8	A Well, that's what he said.
9	nightmare is such that we wake up in the middle of	9	Q He was looking around?
10	the night and our sleep is disturbed. So to that	10	A Often related to automobiles.
11	extent a nightmare is more significant event	11	Q Okay.
12	particularly to an adult. Many adults do not have	12	Well, I'm trying to find out is what does
1.3	nightmares, more typical in children. So in terms f	13	that mean in terms of his disorder?
14	the content, dream materials that comes out at night	14	A Well, hypervigilance looking around for
15	that's reflective of our thoughts.	15	danger, feeling unsafe, feeling vulnerable are
16	Q Which word did he use dream or nightmare?	16	experiences that many people experience after they
17	A He probably used both.	17	have been through a traumatic experience.
18	Q Do you know exactly?	18	Q The first time you saw him on July 8th you
19	A I'm sure he used both because that is	19	noted that he was suffering from posttraumatic
20	significant that one is a ream and the other is a	20	stress disorder.
101	nightmare. He may not have known that. In other	21	Was that your diagnosis that you arrived
21		}	
21 22	words, to a lay person a frightening dream maybe the	22	at the end of your first session?
1	words, to a lay person a frightening dream maybe the same as a nightmare but technically a nightmare and		at the end of your first session? A Correct. Q Did he ever use the words posttraumatic

1	Gloria Small	1	Gloria Small
2	stress disorder	2	A You know, it's too bad I lost all of those
3	A Not that I recall.	3	notes.
4	Q or PTSD?	4	I would think he probably did.
5	A Not that I recall.	5	Q Okay.
6	Q In your first visit with him, he also	6	Do you remember any specifics about what
7	talked about his background and his history.	7	you discussed concerning that incident beyond the
8	Correct?	8	what we've discussed?
9	A Yes.	9	A I can only imagine. I can't really
10	Q And you noted there was no trauma in his	10	remember. I can imagine but I don't think that's
11	background.	11	useful.
12	Did he tell you during that first visit	12	Q No. I just want to stick to what you do
13	that he had been involved in a significant	13	recall; okay.
14	automobile accident a couple of years beforehand?	14	When you say his wife says that he had
15	MR. HEALEY: Object "significant."	15	been in these six close calls, when did you speak to
16	A No, I don't think so.	16	the wife?
17	Q Did he tell you about any automobile	17	A Well, I had spoken to his wife on numerous
18	accident he had been involved in?	18	occasions on the telephone. I never met with her in
19	A He may have but I don't remember. It says	19	person. Often they were around scheduling issues,
20	here, it says he was involved in an accident.	20	he would ask me to speak to her around scheduling.
21	Q ' Right,	21	I don't know if he was reporting that she said or
22	On the second visit, he told you that he	22	she said. I don't think we had that kind of
23	had remembered he had been in an accident where the	23	dialogue, she never came into the session, I never
24	car slid on black ice and hit a tree?	24	saw her in person. Whether she volunteered this on

1 Gloria Small 2 A Well, I think I asked the same question to 3 Gael Roderick. It's a question one asks in relation 4 to EMDR which is there a place in the world you feel 5 safe. 6 Q Okay. 7 A Because often trauma destroys one 's 8 feeling of safety and having a place where one feels 9 safe is useful. 10 Q Did he indicate that he feels safe 11 anywhere else? 12 A That probably wasn't the question, I was 13 trying to help him find a place to feel safe. 14 Q Okay. 15 You wrote he was having a hard time 16 thinking of work including deep seas again? 17 A Yes. 18 Gloria Small 2 intellectual. In therapy, we deal with the emotional not very often that a person speaks at the rational. 2 what we are interested in is the feelings so that people can get to integrate their emotional and there rational being because mental health is one's thinking and feeling and behaving are all meshed. It's a very different conception. 4 Q Okay. 4 Is it important to you as a therapist that the patient tell you honestly factually what happened to them? 4 A Yes. 4 Yes. 4 Gloria Small 5 intellectual. In therapy, we deal with the emotional not very often that a person speaks at the rational. 7 A Weal yes deal with the emotional not very often that a person speaks at the rational. 8 there are their emotional of the world you feel so that people can get to integrate their emotional and there rational being because mental health is one's thinking and feeling and behaving are all meshed. It's a very different conception. 9 Is to important to you as a therapist that the patient tell you honestly factually what happened to them? 1 A Is it important to you as a therapist if a person tell you honestly, factually the circumstances of whatever their trauma was or whatever caused their trauma? 2	sessions other than we explored personal	2	Q Yes, during those nine sessions you had
3	relationships, family relationships, work, money,	3	A Yes, his brother, his parents were
4	the trauma, possibly his concern about, um, Gael	4	concerned about his brother and wanted him to help
5	Roderick and the other man whose name I don't	5	take car of his brother, watch out for his brother.
6	remember.	6	His brother had a serious addiction. Mike, as I got
7	Q Did you discuss anything in those other	7	to experience him, was a caring person. Even though
8	sessions that you can recall?	8	he may have had difficulties with his wife, he
9	A He may have talked a little bit about his	9	seemed be a very caring person and he would have
10	growing up and his father.	10	done, um, all he could to help his brother. And I
11	Q In terms of the personal relationships,	11	think we probably spoke about what I thought he
12	what did you discuss, any specifics?	12	might be able to do to help his brother.
13	A As I said, there were issues that he	13	Q What other discussions did you have with
14	talked about in relation to his marriage, issues in	14	him concerning his intrapersonal relationships?
1.5	relation to his brother.	15	A As I said earlier, my experience of Mike
16	Q What the issues were with respect to his	16	was he was a caretaker, leader. I think he was not
17	marriage did he talk about that?	17	only concerned about his own, you know, um
18	A We talked about that earlier, I can't	18	difficulties, financial difficulties but also
19	think of any other.	19	concerned about what this might mean to Roderick and
i	0 041 - 41 - 41 - 41 - 41 - 41 - 41 - 41	20	Schober.
20	Q Other than he was not happy that his wife	i	
21	was pregnant?	21	Q During your sessions, did Mr. Stepski ever
21 22	was pregnant? A He didn't say he wasn't happy that his	22	indicate to you that he didn't care whether he
21 22 23	was pregnant? A He didn't say he wasn't happy that his wife was pregnant.	22 23	indicate to you that he didn't care whether he continued to live?
21 22	was pregnant? A He didn't say he wasn't happy that his	22	indicate to you that he didn't care whether he

1	Gloria Small	1	Gloria Small
2	Q During any of your sessions, did you hear	2	in terms of solving his problems in the sessions?
3	from Mr. Stepski or get a sense that he had sort of	3	A You know, no. I did not actually see him
4	given up in terms of his outlook on life?	4	very many times, the times were very spread out and,
5	A Not at that time.	5	um, as reported as he reported elsewhere it was not
6	Q What else about work-related matters and	6	as useful as it may have been to him.
7	money related matters did you and Mr. Stepski	7	(Short break taken.)
8	discuss in those other sessions?	8	Q What other significant items did
9	A Could you ask the question again?	9	Mr. Stepski bring up during the course of your
10	Q In the other sessions that you had, what	10	therapy sessions with him?
11	else was said in terms of his work and, um, let me	11	A Other than the things we have discussed?
12	limit it we will limit it to work?	12	Q Yes.
13	A Um, I think he was kind of inquisitive and	13	A Nothing that I can recall.
14	very upset, I think he kept coming back to how could	14	Q Did you see Mr. Stepski at any time after
15	the boat not stop. He just kept coming back to	15	February 2005?
16	that, how could the boat not stop.	16	A Let me just look at the no.
17	And I think that affected his outlook, how	17	Q Had there been any contact with him at all
18	could people do this in the world, how could they do	18	since then?
1.9	this?	19	A No.
20	Q His sense of morality was harmed by this	20	Q Any contact with his wife since then?
21	incident, is that what you are suggesting?	21	A No.
22	MR. HEALEY: Object to the form.	22	Q Were you aware that Mr. Stepski and Ms.
23	A I don't understand what you are saying.	23	Stepski were in marital counseling?
24	Q I'm sorry.	24	A At the time I was seeing him?
	Page 90		Page 92
1	Gloria Small	1	Gloria Small
	Did he indicate in anyway that he thought	2	Q Subsequent to the time you were seeing
2	it was immoral that the boat that hit him didn't	3	him?
3		4	A Don't remember.
4	stop. A I don't think he would have used the word	5	Q Do you believe that marital counseling
5	immoral but he kept going back to it, how could they	6	would have been indicated for Mr. Stepski based upon
6	have done this.	7	your sessions with him and in which he talked about
8	Q Anything else about his	8	problems in his personal relationship with his wife?
9	A How could people do this I wouldn't do	9	A Um, maybe, yes, maybe no. Hard to tell.
10	this, that kind of sense. He may have used the word	10	MR. HEALEY: Off the record.
11	irresponsible.	11	Q So your answer is as such because you
1		12	don't have enough information to go on?
112	() Anything else about his work that you		
12 13	Q Anything else about his work that you remember discussing with him?	Ì	
13	remember discussing with him?	13	A No, that's not the reason.
13 14	remember discussing with him? A I think he spent time, perhaps, in several	13 14	A No, that's not the reason.Q What is the reason?
13 14 15	remember discussing with him? A I think he spent time, perhaps, in several sessions thinking about could he get more schooling,	13 14 15	A No, that's not the reason.Q What is the reason?A Well, I think marriage therapy is
13 14 15 16	remember discussing with him? 	Page 93		Page 95
1	Gloria Small	1	Gloria Small
2	A Sometimes put down diagnostic impressions.	2	Q Coming up with the diagnosis of PTSD, did
3	Q Okay.	3	you take into account that he had returned to
4	So when you wrote "Mike is suffering from	4	fishing?
5	posttraumatic stress disorder" that was a diagnostic	5	A I'm sorry.
6	impression?	6	That wouldn't have had anything to do with
7	A No. It was more of a diagnosis than a	7	it.
8	diagnostic impression.	8	Q Would?
9	Q Why do you believe you were able to make a	9	A No, that wouldn't have anything to do with
10	diagnosis of PTSD of Mr. Stepski on that first	10	it.
11	visit?	11	Q Avoidance of the type of situation which
1.2	A Because a diagnosis in this case would	12	gave rise to trauma in the first place, is that a
13	-	13	symptom of PTSD?
14	occurred, two and second, that the reactions to it	14	A It is, but not necessarily. I have worked
15	were indicative of that disorder. So that both	15	with firefighters who are traumatized all the time,
16	pieces were there, the trauma and the reactions.	16	but they have do go back to work and they do, they
17	Q What reactions on Mr. Stepski's part were	17	are traumatized so are soldiers.
18	there that were indicative of PTSD on that first	18	Q In your summary of Clinical Contract third
19	visit?	19	paragraph I think this is what you were referring to
20	A These other ones reported nightmares,	20	before initially with the question as to what
21	difficulty sleeping, distressing recollections,	21	reactions were indicative of PTSD?
22	memories, intrusive thoughts, shift in his feeling	22	A Yes.
23	of safety, just about everything would be. Oh, and	23	Q You wrote in the third paragraph
24	you can see my conclusion in Paragraph 3. I'm sorry	24	"Initially Mr. Stepski was suffering from acute
	Page 94		Page 96
1	Gloria Small	1	Gloria Small
2	I'm talking about a summary. I was looking at the	2	posttraumatic stress disorder."
3	summary note.	3	Does he still suffer from or did he still
4	Q Just referring to your intake note?	4	suffer from posttraumatic stress disorder as of the
5	A Sorry. I was looking at the summary.	5	last time you saw him in February 2005?
6	Going back into the intake.	6	A If you read you further, yes. If you read
7	Q What's your intake a notes of reactions	7	further into that chapter paragraph, and I was
8	that are indicative of PTSD?	8	writing this for Weigel, Attorney Weigel at his
9	A Well, in the notes for one thing is that	9	request.
10	recorded is the lack of feeling of safety what I	10	I was making a distinction between the
11	call hypervigilance, kind of, loss of sense of self,	11	initial diagnosis and the post and the longer term
12	what to do with himself.	12	one. When I said his reactions have
13	Q Is that it?	13	Q So
14	A Well, that seems to be as I wrote it down.	14	A — lessened for more than a three-month
15	Q Did you	15	period. Therefore can be categorized as chronic
16	A But, again, the intake note is for me not	16	rather than acute. The DSM makes a distinction
17	for	17	between acute posttraumatic stress and chronic
18	Q What else do you remember, then, from that		posttraumatic stress.
19	first visit which was also an indicative reaction	19	Q In your view, he had PTSD in an acute form
20	that would support the finding of PTSD?	20	and subsequently it became a chronic form?
21	A He probably said he was having trouble	21	A As far as I could tell, yes.
22	sleeping this feeling of unreality.	22	Q Is there anything about, um, Mr. Stepski's
		100	
23 24	Q Anything else?A Nothing that I recall.	23 24	sessions that you believe to be significant in terms of his symptomatology that we have not yet

24 (Pages 93 to 96)

2	discussed?	2	could narrow it to a lot of other
3	MR, HEALEY: Object to the form. You	3	people, it has a lot of meaning.
4	don't want me to say anything, I won't	4	Q I'll change the question.
5	I'm objecting to the form. If you	5	Was your sense that there was a macho
6	can't figure that one out.	6	factor to him that didn't permit his feelings to get
7	MR. UNGER: We have your objection.	7	beyond the hard exterior shell?
8	A I'm not sure what the question was.	8	A I would not use the word macho, I would
9	Q Other than what we have discussed already,	9	use the word independence. I think there I think
10	was there anything else from your therapy sessions	10	there was a lot of independence. I think in his
11	with Mr. Stepski that you believe to be reactions on	11	culture men might use drugs or some other way of
12	his part that are indicative of PTSD?	12	dealing with emotions rather than expressing them.
13	MR. HEALEY: Same objection.	13	Q Did you get a sense that there was a
14	A Well, one thought comes to mind is that	14	stigma in his view toward being against being in
15		15	therapy?
16	, , ,	16	A I never got that sense, but I did get the
17	additional turmoil, troubles get magnified. So the	17	sense of his wanting to be independent and solve his
18	accident, um, perhaps was an additional factor even	18	problems on his own.
19	if it wasn't presented that way in the marital	19	Q Did he ever indicate to you that he was
20	distress.	20	having flashbacks? _
21	Q 'Anything else?	21	A Not that I recall, no.
22	A No.	22	Q Did you read the report prepared by
23	Just the thought, I think that	23	Dr. Mariam?
24	subjectively I liked Michael Stepski, and I wished	24	A I did.

2	about his brother, and as I recall it wasn't an	2	Q And waited he waited a little more than
3	issue at the time.	3	two years before he saw you again for two visits in
4	Q Did you specifically ask him about his	4	November of 2006.
5	alcohol or drug consumption?	5	Right?
6	A I don't remember, but I probably did,	6	A Yes.
7	perhaps, not in that way. I probably said, you	7	Q Well, referring to your intake note on
8	know, given your family history is this an issue for	8	Mr. Roderick, you first saw him after you had seen
9	you, something like that; and he probably said no	9	Mr. Stepski twice.
10	because I don't remember talking about it but he was	E	Correct?
11	concerned about his father and his brother but not	11	A Yes. I think that's correct.
12	about himself.	12	Q You saw Stepski July 8th and 12th and
13	Q So maybe he did but you don't remember?	13	19th?
14	A I don't think it was a problem for him at	14	A Correct.
15	that time.	15	Q Under "presenting problems," we just have
16	Q You don't remember specifically discussing	16	"Trauma was in boat with Mike. It was crashed into
17	it with him?	17	by freighter on May 22, 2004."
18	MR. HEALEY: Objection, she has	18	Was there anything that Mr. Roderick told
19	answered that specifically just before	19	you about the happening of the accident that had no
20	that.	20	been told to you by Mr. Stepski?
21	Q' You use the word "probably" a lot, doctor.	21	A I don't remember. See I do this for
22	I probably asked him, he probably said.	22	myself so I was just presenting the problem but I
23	A Let me go back, again, then, if I can.	23	did not go into detail.
24	I'm sure we spoke about his father's	24	Q Oh. Do the facts of the traumatic events,

2	problem and his brother's problem and my memory is	2	are they significant in terms of the therapy at all?
3	that we spoke about his relation to substances in	3	A We had this discussion before. I can't
4	that context and it did not become a focus of	4	quite answer that question the way you are putting
5	treatment.	5	it.
6	Q Is there anything else that you found	6	Q If you have a rape victim, do you treat
7	significant about Dr. Mariam's report concerning	7	that patient any differently than you treat somebody
8	Mr. Stepski?	8	who is involved in a automobile accident or someone
9	A No, just those two things.	9	who had been involved in a boating accident?
10	Q You saw Mr. Roderick how many times?	10	MR. HEALEY: Object to the form.
11	MR, HEALEY: Off the record.	11	A Well, you take the person coming with what
12	(Off record.)	12	they come with. I can't
13	Q Why don't you grab Mr. Roderick's records?	13	MR, HEALEY: I'm not suggesting that's
14	A Okay.	14	an answer
15	Q How many times did you see Mr. Roderick?	15	MR. UNGER: Don't cut her off.
16	A Five.	16	MR. HEALEY: What would I didn't
17	Q It ranged from July 19, 2004 to your last	17	cut her off. I suggested that was an
18	visit was November 16 of 2006.	18	answer because your question is
19	Right?	19	idiotic, it's apples and oranges.
20	A Correct no, November 21st.	20	There's no way to ask what happened to
21	Q Sorry. November 21?	21	a rape victim. I am not coaching.
22	A Yup.	22	Sometimes Mike take it in the spirit
1			
23 24	Q So you saw him three times in 2004? A Yup.	23	it's given. Sometimes your question is not a good question. I'm not

1	Gloria Small	1	Gloria Small
2	attacking you as a lawyer, I have	2	A No, not that I can read here.
3	lousy questions. I listen when	3	Q As I see in your notes, Mr. Roderick spent
4	somebody tells me I'm in error and get	4	a good deal of his time in his discussions with you
5	it off. I'm just trying to tell you	5	talking about the problems he was having with the
6	that question is so far up in the air.	6	mother of his child?
7	If she can't answer it, it cannot be	7	A Yes.
8	taken into court. I'm not attacking	8	Q And they had some kind of whacky
9	you, not talking about your competence	9	relationship, if you will excuse the use of that
10	everybody trips sometimes, I think you	10	word, unusual living arrangement. Mr. Roderick was
11	have on that one.	11	friendly with the former husband?
12	MR. UNGER: You are entitled to your	12	A Yes.
13	opinion, Tom.	13	Q Now, in terms of his experiences
14	Q What I'm trying to find out is do you	14	concerning his post accident strike that.
15	approach your therapy differently from patient to	15	In terms of Mr. Roderick's post accident
16	patient based upon what the experience is the	16	experiences gone, he had gone out fishing a number
17	patient had in terms of a traumatic event?	17	of times sometimes with his father.
18	A Could you ask it again.	18	Do you know how often when he started
19	Q Sure.	19	going back fishing?
20	Do the facts of the specific trauma that	20	A No
21	each patient underwent affect how you go about	21	Q Was that discussed?
22	treating them in therapy?	22	A I don't remember.
23	A It is the experience that they are	23	Q You note that he had felt extremely
24	bringing not the facts that we deal with. The facts	24	nervous you wrote, was that his words?
	Page 106		Page 108
1	Gloria Small	1	Gloria Small
2	maybe embedded in the experience, but it is the	2	A I think it's his words.
3	experience that they are bringing.	3	Q Did he explain what was making him
4	Q Did you have the same agreement with Mr.	4	nervous?
5	Roderick in terms of payments in you had with	5	A That's what I wrote down there scared that
6	Mr. Stepski?	6	the boat would crash.
7	A Not exactly.	7	Q Do you know if he remembered the sound of
8	Q Tell me how they differed?	8	the collision?
9	A I understand somehow either from	9	A Yes.
10	Mr. Stepski or Gael, himself, that he could not	10	Q What about that was significant?
11	afford to pay and it would be paid by somebody else	11	A I thought that was very interesting
12	someday, where as Mike Stepski did attempt to pay	12	because when we think about a traumatic reactions,
13	what he could. So that basically I've seen them	13	we often think about recurring images. So I found
14	pro-bono at this point with the expectation that I	14	this fascinating that he had had reoccurring
15	111 - u - id day, when the case act settled	15	auditory because he couldn't see. I thought that
	would be paid someday when the case got settled.	1	
16	would be paid someday when the case got settled. O Okay.	16	was a very interesting reaction. Then he talks
16 17	Q Okay.	•	about a visualizing because as humans in our society
17	Q Okay. Is it fair to say that Mr. Roderick's	16	
17 18	Q Okay. Is it fair to say that Mr. Roderick's personal relationship with the mother of his child	16 17	about a visualizing because as humans in our society
17 18 19	Q Okay. Is it fair to say that Mr. Roderick's personal relationship with the mother of his child was in not so great shape prior to this accident?	16 17 18	about a visualizing because as humans in our society we are more visually oriented so as an auditory it
17 18 19 20	Q Okay. Is it fair to say that Mr. Roderick's personal relationship with the mother of his child was in not so great shape prior to this accident? A Yes.	16 17 18 19	about a visualizing because as humans in our society we are more visually oriented so as an auditory it was interesting but he used a number of perceptions.
17 18 19	Q Okay. Is it fair to say that Mr. Roderick's personal relationship with the mother of his child was in not so great shape prior to this accident?	16 17 18 19 20	about a visualizing because as humans in our society we are more visually oriented so as an auditory it was interesting but he used a number of perceptions. He uses hearing and sight and perceptions where you
17 18 19 20 21	Q Okay. Is it fair to say that Mr. Roderick's personal relationship with the mother of his child was in not so great shape prior to this accident? A Yes. Q And did Mr. Roderick ever indicate to you	16 17 18 19 20 21	about a visualizing because as humans in our society we are more visually oriented so as an auditory it was interesting but he used a number of perceptions. He uses hearing and sight and perceptions where you are standing I think that's proprioception.

2	situated elsewhere on the boat he may have been	2	and emotions and feelings operate in coordination
3	struck and perhaps killed.	3	with our thoughts, and a truly integrated person has
4	A Um hum.	4	access to their thoughts, their feelings and their
5	I'm sorry, yes, that is what I wrote.	5	behavior. That's the truly integrated person, if
6	Q Was that significant to you at all?	6	you find one let me know. They are all going one
7	A Yes.	7	way.
8	Q Why is that?	8	Q Like in law we call it the ordinary
9	A When we think about trauma and	9	reasonable man. If I ever met that guy on the
10	posttraumatic reactions, then the visualizing of	10	street, I'd be shot.
11	this and then I would have been dead is pretty	11	Going back to Mr. Roderick and his
12	traumatic.	12	sleeping, in layman's terms it was a good sign that
13	Q He told you for the first three or four	13	he is getting better because he is not having
14	weeks he had a difficulty sleeping but was able to	14	problems sleeping some weeks after the accident when
15	sleep as of the time you saw him July 19?	15	he said he had been having problems right after the
16	A Um hum.	16	accident?
17	Q Is that significant in anyway?	17	A Right.
18	A Well, yes, his body seemed to be adapting	18	Q I have to break these things down to a
19	and he seemed to be doing okay at that point.	19	very simple level for me.
20	Q In terms of his body, also his mind was	20	You also noted in your intake that he
21	adapting, as well, and that he was able to go to	21	wasn't thinking about the accident very often at
22	sleep and stay asleep?	22	that point?
23	A He was able to sleep. Our emotions are	23	A No.
24	physical events in our bodies. So we very often	24	Q Again, in layman's terms, that's another
	Page 110	<u> </u>	Page 112
1	Gloria Small	1	Gloria Small
2	react differently. So thinking is different from	2	good sign?
3	our body reacting.	3	A Yes.
4	Q So his body was adapting?	4	Q That he is getting better?
5	A His body was calming down. When a body is	5	A Yes.
6	in stress it's in a state of emergency, the	6	Q So most often he would be thinking about
7	adrenaline.	7	the accident when he was questioned by others?
8	Q Just so I understand where you are coming	8	A Yes.
9	from, the body and mind are two separate things or	ł	Q Logical. Right?
10	are they connected.	10	A Yes.
11	Can you explain it to me somehow?	11	Q And as for the place in the world where he
12	A I'm laughing because the mind body dilemma	12	felt safe.
13	is a dilemma for philosophers if you ask me.	13	He indicated it was his father's boat.
14	Q I'm looking for your opinion and not the 100's of books that have been written on it.	14	right? A Yes.
15	A I have a very concise way of looking at	15	
16		16	· ·
17	these things. As humans, we respond three ways,	17	himself? A Yes.
18	with our behavior, with our thoughts and with our	18 19	·
19 20	feelings. They are like burners on the stove,	20	Q You wrote? A Um hum.
21	thinking burner, feeling burner and behaving burner. They each have their own knob and they each operate	21	Q Did he indicate why he goes there?
22	differently and together they form the way we	22	A Well, I assume to feel safe. Again this
23	function.	23	question is the same type of question that was mean
24	It's an interesting way to think about it,	24	for me as in trying to help these people determine
L- +	1.5 dil ilitotodile way to tillik about it,	g enerals Companyone	Total as in white to note those people determine

2	how they can feel safe and where.	2	Q Was there anything else about that first
3	Q Sure. I understand.	3	visit with Mr. Roderick that you found to be
4	On your treatment plan, you indicated	4	significant?
5	individual therapy was necessary to process trauma	5	A Nothing I can recall.
6	and posttraumatic actions?	6	Q You then saw him a week later on
7	A Um hum.	7	July 26th?
8	Q Did you at that time have a diagnose of I	8	A Yes.
9	PTSD for Mr. Roderick?	9	Q Again, I take it all of the visits with
10	A I didn't put it down here.	10	Mr. Roderick were just a one-on-one?
11	Q So does that mean you hadn't settled on a	11	A Yes.
12	diagnosis or PTSD?	12	Q He was speaking of money difficulties?
13	A Not necessarily.	13	A Yes.
14	Q Had you settled had you considered	14	Q And financial hardship, since the
15	there might be some other type of disorder; such as,	15	accident, what specifically did he relay about money
16	anxiety disorder or something else or were you	16	difficulties to you?
17	considering anything else?	17	A I think he wasn't fishing so much.
18	A Again, I was just presenting what he	18	Q Did he inquire with Mr. Roderick other
19	presented in terms of his reactions that would have	19	sources of income that he might have besides
20	been conducive to posttraumatic stress reaction, but	20	fishing?
21	they seemed to have been fading at least in this	21	A I don't remember.
22	intake.	22	Q Did he ever relay to you that he was a
23	So I might have, perhaps, I wasn't	23	diesel mechanic?
24	consistent maybe I needed someone to review it and	24	A I don't think so.

2	visit, fair to say?	2	He the incident kept replaying in his mind and he
3	A Yes,	3	kept thinking about what he should have done and
4	Q All right.	4	should have been able to do.
5	Then the following week on August 2, he	5	A Yes.
6	told you he had been to the blessing of the fleet in	6	Q Is that related to having been to the
7	Stonington and that that was something he regularly	7	blessing of the fleet the day before?
8	done every year with his family most of his family	8	A It's coming up the ruminating what should
9	were fishermen.	9	I have done, what could I have done is an event in a
1.0	Correct?	10	way of replaying the accident which is not uncommon.
11	A Yes.	11	Q Is it also sometimes healthy to have those
12	Q This was a family tradition?	12	thoughts of what I could have done, is that part of
13	A Yes.	13	working through the process?
14	Q Did he relate any problems he experienced	14	A It's very common in people who have been
15	as a result of going to the blessing of the fleet?	15	through trauma.
16	A Well, here it said that his mother threw	16	Q So is that a healthy sign that trying to
17	the bone in honor of the dog and that he began to	17	figure out was there something I could have done if
18	ruminate again about the incident.	18	not then it was just one of those things that happen
19	Q Did he say anything else about it?	19	in life, it was a bad break?
20	A About the fleet, about the blessing of the	20	A I think it just is what should I have
21	fleet?	21	done, what could I have done, what could I have
22	Q Yes. Anything else come out of that	22	done, often people who are completely helpless or
23	discussion other than he thought about the incident	23	powerless will say what would I have done, what
24	because his mom threw a bone for the dog?	24	could I have done because guilt is easier to deal

2	Q Did he indicate that he was going to stop	2	Q What did you discuss with Mr, Roderick on
3	therapy at that point, August 2?	3	that November 16, 2006 visit?
4	A August 2, no he made appointments but then	4	A I don't remember other than what's in
5	didn't show after that.	5	here.
6	Q Any idea why he didn't show?	6	Q So other than your note?
7	A No.	7	A I don't remember.
8	Q Did you ever find out subsequently when he	8	Q Well, the note indicates that he is
9	came back to you in November of 2006 why he didn't	9	distressed because of the deposition, but also
10	had stopped attending therapy in 2004?	10	distraught over the state of the relationship of his
11	A No.	11	significant other the mother of his two-year-old
12	Q When he came back in 2006, at that time he	12	son. Those two situations are causing him distress,
13	had insurance.	13	he wants to go back to weekly individual therapy but
14	Is that right?	14	perhaps as a longer time than his first therapy.
15	A I don't know. I see this but that may not	15	You indicate to him in response you would be happy
16	I don't think he paid me then it may have been a	16	to continue therapy at that time?
17	insurance that covered his I'm not sure because	17	A I assume so.
18	it says there was insurance, but I'm not sure that	18	Q And did you inquire at that time why he
19	they covered him for treatment because I don't think	19	had stopped coming back in 2004?
20	he ever paid me.	20	A I don't remember.
21	Q ' You submitted a health insurance claim	21	Q Did you ask him how he had been doing
22	form to?	22	between when he stopped coming in 2004 up to the
23	A I'd have to look at that. I don't	23	point where he gave a deposition?
24	remember. I did submit a claim form.	24	A I can't specifically remember, but I can
	Page 122		Page 124
1	Gloria Small	1	Gloria Small
2	Q To what's called Healthy Options in 2006?	2	just conclude that he was doing all right, felt
3	A I don't know if they paid or not. They	3	overwhelmed and remembered that this was a place
4	may not have. I believe I can look into that. I	4	that he could come to talk and did, but I don't
5	believe Healthy Options is the insurance plan which	5	recall.
6	is a private version of medicaid which is Title 19	6	Q Anything else about that November 16th
7	for the medical indigent. They don't cover adults	7	visit that you recall?
8	nowadays, I'm not sure if that was covered.	8	A No, but, um, something, you know,
9	Obviously, I submitted it but whether they paid I	9	interesting is we can assume since he was having
10	don't remember. We could look at our records.	10	difficulty in his relationship two years earlier and
11	Q We can leave a space in the record you can	11	was still having difficulties with the relationship
12	indicate whether or not you were paid by Healthy	12	now but hasn't sought out help that it was the, um,
1	·	13	
113	Options or not?	TO	trauma of the deposition that added brought him
13 14	Options or not? A Yes.	14	trauma of the deposition that added brought him to treatment because presumably there wasn't
14	A Yes.	1	to treatment because presumably there wasn't
14 15	A Yes. (See Page 119 Line 20	14	to treatment because presumably there wasn't anything different going on in the last two years;
14 15 16	A Yes. (See Page 119 Line 20	14 15	to treatment because presumably there wasn't
14 15	A Yes. (See Page 119 Line 20	14 15 16	to treatment because presumably there wasn't anything different going on in the last two years; but I don't really know.

2	don't see anything specifically about	2	conclusions are correct or incorrect.
3	hypervigilance.	3	Is that a fair statement?
4	Q So we agree that hypervigilance is	4	A Well, some of his conclusions I would know
5	excessive and continual checking of things for	5	if they are correct because so me of them could be
6	danger?	6	easily verified, for example, seemed to get
7	A Correct.	7	interested in substances and when he talks about
8	Q And that to your recollection it's not	8	Gael smoking more than two packs a day, that easily
9	something that was an issue for him?	9	could be verified. Either he does or doesn't.
10	A I don't think we can conclude that it	10	Q That is a fact, but what I'm talking about
11	wasn't an issue for him.	11,	is subjective stuff in those reports. There's no
12	Q Did he what did he say or do which	12	way to verify any of that, is there?
13	would indicate to you that it may have been an issue	13	MR. HEALEY: Object to the form. I
14	for him?	14	don't know "subjective stuff," what
1.5	A This is man who responded to questions if	15	are we talking about.
16	you asked him he will tell you, but when he is again	16	A Well, are you asking me to say whether I
17	processing his own experience, each person processes	17	think this is truthful or not truthful.
18	their own experience in different ways.	18	Q No.
19	Michael Stepski seems to be processing	19	Let me ask you a different question.
20	talking about hypervigilance. This man is different	20	Is there any way to empirically prove or
21	he talks about memory, about seeing about standing	21	disprove whether a patient actually has experienced
22	he is just processing things very differently.	22	a feeling or an emotion that they relay to you?
23	Humans are different.	23	A Is there any way empirically to tell I
24	Q I understand?	24	suppose a lie detector test could tell.
	Page 130		Page 132
1	Gloria Small	1	Gloria Small
2	A Yup.	2	Q Other than a lie detector test, there's no
3	Q Help me understand.	3	such psychological test battery or anything else
4	A They were in the same boat, experienced	4	that anybody can give you to determine whether if I
5	the same trauma, but one has this one has that, who	5	say I'm upset because I lost my skate key whether
6	knows.	6	that's true or not?
7	Q So we can't say there was a hypervigilance	7	A No.
8	on the part of Mr. Roderick or not.	8	Q I'm old enough to have a skate ski.
9	Correct?	9	Sorry.
10		10	A Well, there are possibly two separate
11	don't know.	11	questions, and I'm not sure you are asking me those
12	Q In terms of Dr. Mariam's report as to both	12	two separate questions. One is giving what I say or
13	Stepski and Roderick	13	my records two years before are they consistent with
14	A Um hum.	14	what Dr. Mariam found or didn't find.
15	O was mad tham?	15	Q I'm not asking you that?
16	Q you read them?	1	
1	A Um hum.	16	A Did Gael Roderick tell Dr. Mariam the
17	A Um hum. Q But is it a fair statement that these are	16 17	A Did Gael Roderick tell Dr. Mariam the truth, I don't know or are some of those things
17 18	A Um hum. Q But is it a fair statement that these are reports concerning an interview that took place at	16 17 18	A Did Gael Roderick tell Dr. Mariam the truth, I don't know or are some of those things related to the trauma that are recorded in this
17 18 19	A Um hum. 2	All I'm trying to just confirm is	2	disorder, you could inherit it vicariously. In
3	basically when a patient comes in and they tell you	3	other words, it could have happen to me but it
4	I feel, there's no way for you as a therapist to	4	didn't.
5	know if they actually are feeling that emotion.	5	Q That is enough to trigger PTSD?
6	Is that correct?	6	A Could be. Actually, I worked with a young
7	A Not exactly, I suppose because	7	woman whose bedroom was lightening hit her
8	Q Other than the lie detector?	8	bedroom she wasn't killed but
9	A Some emotions are very powerful, tears	9	Q Fair enough. One last question?
10	will come as a sign of emotion when people are	10	MR. HEALEY: That is the biggest
11	afraid. Those are physical events, sometimes we can	11	all lawyers say that and one no lawyer
12	sense them, sometimes we can't, but you know I'm	12	has ever held up to it. I have one
13	flipping it and I don't know if you want me to flip	13	last question I then we have 14.
14	it around. There's a whole lot of questions here.	14	(Off record.)
15	If any ten, 30 or 40 people were involved	15	Q Have you provided any opinions as to this
16	in a similar kind of situation, would they be	16	case formally or informally orally or any writing or
17	expected to have some sort of reaction, and are the	17	otherwise spoken or written about this case of Mr.
18	reactions that these men are having consistent with	18	Stepski and Mr. Roderick other than what we have
19	the reactions other people are expected to have. To	19	discussed today and documents that we have looked at
20	that purpose we would have to get ten volunteers or	20	today?
21	I don't know how many people who have been involved	21	A I have not discussed it other than today.
22	in ship wrecks and similar things. I mean there are	22	Q All right. Thank you.
23	probably several.	23	2 · · · · · · · · · · · · · · · · · · ·
24	Q Is there anything else about Michael	24	
	Page 134		Page 136
1	Gloria Small	1	Gloria Small
2	Stepski and his therapy sessions that you find to be	2	CROSS EXAMINATION
3	significant that you haven't already told me about?	3	BY MR. HEALEY:
4	MR. HEALEY: Objection. I think you	4	Q I'm going to ask you just one question, it
5	asked that, Mike.	5	might be one?
6	MR. UNGER: I don't know.	6	MR. UNGER: Might be one.
7	MR. HEALEY: I think you did.	7	MR. HEALEY: I had to stop I'm falling
8	A Ask the question again.	8	into my own trap. It will be very
9	Q Other than what you've already told me, is	9	few.
10	there anything else about Michael Stepski's therapy	10	Q Just now, on Gael Roderick, is it your
11	you find to be significant?	11	opinion is it your testimony that he during the time
12	A No, nothing I can think of.	12	when you saw him was suffering from posttraumatic
13	Q Same question with respect to Mr.	13	stress disorder?
14	Roderick?	14	MR. UNGER: Object to the form.
15	A No.	15	A Is this on the record or off the record?
16	Q If one is not exposed to the risk of	16	Q We are on the record?
17	losing ones life in a traumatic event is PTSD a	17	A Certainly acute posttraumatic stress
18	proper diagnosis?	18	disorder.
19	A Yes, it could be. Because, for example,	19	Q Because it was a limited period of time
20	the case I told you about before.	20	that you saw him?
21	Q The rape as a child?	21	A It's very interesting I question.
22	A The woman that was three years old, her	22	Q Don't go into theory?
